

24 SKY HARBOR
BUSINESS ALLIANCE

PUBLIC SAFETY COLLABORATION

WORKING TOGETHER....

If we share the cost to hire a single private security to patrol the area, we will experience a decrease in property and violent crimes in the area.

19North Community Alliance will be presenting a comprehensive program for public safety that has demonstrated success in decreasing criminal activity.

If you are a business, property owner or property manager in the program area, please join us to learn more!

24 Sky Harbor Business Alliance
serves the businesses between
the 202 freeway on the north,
and Air Lane on the south,
32nd Street on the east,
and I-10 on the west
